

“What to Do in Case” Series

Greensboro Police Department

A person comes to your school and starts shooting:

The memory jogger for this plan for this is: “Run, Hide, Fight.”

RUN - Leave the area in an orderly way. Bring others with you if possible. Move to a safe location and dial 911.

HIDE – Ideally behind a closed and locked door. Silence your phone and be very quiet.

FIGHT – If you have no other options, try to disable the attacker. Act as a group, find weapons, and fight until the attacker is incapacitated.

When emergency responders arrive, keep your hands visible; do not startle them by pointing and shouting.
